Preface

Educurv BV values the protection of your personal data. In this privacy policy we want to give clear and transparent information about how we are handling your personal data. We are making an effort in guaranteeing your privacy and therefore handle your personal data with the utmost care. In any case Educurv BV complies to the applicable Dutch laws and regulations, among which the Dutch General Data Protection Regulation. This involves that we at least:

- Process your personal data in accordance with the purpose for which they were submitted, these purposes and types of personal data are described in this privacy policy;
- The processing of your personal data is limited to the data minimally required for the purpose for which they are processed;
- Ask for your explicit permission if we need this for processing your personal data;
- Have taken technical and organizational measures so the safety of your personal data is guaranteed;
- Don't give your personal data to third parties, unless this is necessary for the purpose they were supplied to us;
- Are aware of your rights concerning your personal data, point them out to you and respect your rights.

As Educurv BV we are responsible for the processing of your personal data. If you have any questions about the privacy policy, after reading it, or if you have any questions in general, you can contact us through the contact details at the bottom of this document.

2 Providing to third parties

2.1 General

The data provided by you can be given to third parties if they are necessary for the execution of the purposes mentioned above.

We are using third parties for;

- Providing webinar;
- Providing (financial) administration;
- Providing newsletters and invitations

We never provide personal data to third parties with whom we don't have a processor agreement. We have made agreement with these parties (processors) to guarantee the safety of your personal data. Furthermore, we will not provide your personal data to third parties unless obligated and permitted by law. For example; in case of a criminal investigation the police can request us to hand over for your (personal) data. In such a case we are obliged to cooperate and release your (personal) data. Also we can provide your personal data to third parties if you give us a written permission to do so.

2.2 Inside the EU

We don't provide personal data to third parties which are established outside the EU, unless you have giving us permission explicitly.

3 Minors

We only provide personal data for minors (under the age of 16) unless we have a written permission from a parent, legale caretaker or legal representative.

4 Storage period

Educurv BV stores personal data no longer than necessary for the intended purpose of demanded by law.

5 Security

We have taken appropriate technical and organizational measures to protect your personal data from unlawful processing, for example;

- All individuals who can access your personal data on behalf of Educurv BV are bound by keeping them secret.
- We have a username and password policy in place on all of our systems;
- When there is a reason we pseudonomize and encrypt your personal data;
- We make back-ups of your personal data so we can restore them in case of a physical or technical incident;
- We test and evaluate our security measures regularly;
- Our employees are informed of the importance of protecting personal data

6 Rights concerning your personal data

You have the right of insight, rectification or deletions of your personal data which we have received from you. Also you can object to the processing of your personal data (or a part of them) by us or our processors. You also have the right to let us hand over the by you provided personal data to you or if commissioned by you to a third party.

We will ask you to identify yourself so we can comply to your requests.

When we are authorized to process your personal data based on your permission, you have the right to revoke this permission at all times.

7 Questions, complaints and contact

7.1 Questions

If you have any questions or remarks in response to our privacy statement, please contact us!

7.2 Complaints

If you have a complaint about the processing of your personal data we urge you to contact us immediately. If we can't resolve the matter together, this is a real concern to us. You always have the right to file a formal complaint to the

Mocht u een klacht hebben over de verwerking van uw persoonsgegevens dan vragen wij u hierover direct contact met ons op te nemen. Komen wij er samen met u niet uit dan vinden wij dit natuurlijk erg vervelend. U heeft altijd het recht een klacht in te dienen bij de Authority Personal Data, this is the supervisory authority in the field of privacy protection.
